

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

INTRI-PLEX TECHNOLOGIES, INC.,

Plaintiff,

v.

NHK INTERNATIONAL
CORPORATION, et al.,

Defendants.

Case No. 17-cv-01097-EMC

**ORDER ADOPTING REPORT AND
RECOMMENDATION; AND DENYING
PLAINTIFF'S MOTION FOR RELIEF
FROM NONDISPOSITIVE PRETRIAL
ORDER OF MAGISTRATE JUDGE**

Docket Nos. 167, 170

Previously, the Court referred Defendants' motion for leave to amend their invalidity contentions to a magistrate judge. On January 15, 2019, Judge Laporte issued her report and recommendation ("R&R") on Defendants' motion. More specifically, Judge Laporte recommended that Defendants' motion be granted. *See* Docket No. 167 (R&R). Subsequently, IPT objected to the R&R by filing a motion for relief. *See* Docket No. 170 (motion). The Court has reviewed Judge Laporte's R&R, IPT's objections, and the underlying briefing on the motion for leave to amend. Having done so, the Court finds Judge Laporte's R&R thorough, complete, and well reasoned and therefore adopts it in every respect. The Court accordingly denies IPT's motion for relief from Judge Laporte's R&R.

This order disposes of Docket Nos. 167 and 170.

IT IS SO ORDERED.

Dated: February 25, 2019

EDWARD M. CHEN
United States District Judge
